

# CERTIFICATE

This is to certify that

## IMPLENIA Deutschland GmbH

Am Prime-Parc 1  
65479 Raunheim  
Germany

with the organizational units/sites as listed in the annex

has implemented and maintains an **Occupational Health and Safety Management System**.

### Scope:

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction, tunnel construction and civil engineering

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

## ISO 45001 : 2018

Certificate registration no.	542480 OHS18
Date of revision	2024-09-26
Valid from	2022-10-31
Valid until	2025-10-30
Date of certification	2024-09-20

DQS IS A MEMBER OF

### DQS GmbH

Christian Gerling  
Managing Director

**Annex to certificate  
Registration No. 542480 OHS18**

**IMPLENIA Deutschland GmbH**

Am Prime-Parc 1  
65479 Raunheim  
Germany

**Location**

**Scope**

**064607  
Implenia Hochbau GmbH  
Zweigniederlassung Stuttgart  
Schockenriedstraße 8a  
70565 Stuttgart  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**055992  
Implenia Hochbau GmbH  
Niederlassung Hamburg  
Süderstraße 32  
20097 Hamburg  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**057557  
Implenia Hochbau GmbH  
Niederlassung München  
Landsberger Straße 290 a  
80687 München  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**205041  
Implenia Civil Engineering GmbH  
Technik (Technical Competence Center)  
Difffenéstraße 14  
68169 Mannheim  
Germany**

Consulting in Construction Materials Technology, certified Construction Materials Engineering, certified Design office in Rehabilitation and Maintenance of Building Structures, Specialist of Maintenance of Building Structures, Marketing of Special Products in Construction Sector, Bridge Construction Technology, Equipment Technology, Measurement Technologie, Process Technology, Research & Development

**Annex to certificate  
Registration No. 542480 OHS18**

**IMPLENIA Deutschland GmbH**

Am Prime-Parc 1  
65479 Raunheim  
Germany

**Location**

**Scope**

**294501  
Implenia Hochbau GmbH  
Niederlassung Leipzig  
Walter-Köhn-Straße 4a  
04356 Leipzig  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**059627  
Implenia Hochbau GmbH  
Niederlassung Essen  
Schnabelstraße 1  
45134 Essen  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**059022  
Implenia Hochbau GmbH  
Zentrale  
Am Prime Parc 1  
65479 Raunheim  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**378411  
Implenia Hochbau GmbH  
Zweigniederlassung Nürnberg  
Sprottauer Straße 51  
90475 Nürnberg  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**Annex to certificate  
Registration No. 542480 OHS18**

Am Prime-Parc 1  
65479 Raunheim  
Germany

**Location**

**Scope**

**378412  
Implenia Hochbau GmbH  
Zweigniederlassung Jena  
Mälzerstraße 5  
07745 Jena  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**344485  
Implenia Hochbau GmbH  
Niederlassung Karlsruhe  
An der Raumfabrik 33c  
76227 Karlsruhe  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**344497  
Implenia Hochbau GmbH  
Niederlassung Frankfurt  
Am Prime Parc 1  
65479 Raunheim  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**489792  
Implenia Hochbau GmbH  
Niederlassung Großprojekte  
Am Prime Parc 1  
65479 Raunheim  
Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**Annex to certificate  
Registration No. 542480 OHS18**

**IMPLENIA Deutschland GmbH**

Am Prime-Parc 1  
65479 Raunheim  
Germany

**Location**

**Scope**

**492876  
Implenia Civil Engineering GmbH  
Niederlassung Düsseldorf  
Friedrichstraße 103  
40217 Düsseldorf  
Germany**

Execution of civil works and construction of any kind, particularly heavy construction / reinforced concrete construction, industrial construction, traffic infrastructure (railway, shipping, road), civil engineering structures, power station structures and noise protection structures

**492880  
Implenia Civil Engineering GmbH  
Maschinen- und Elektrotechnik  
Difffenéstraße 14  
68169 Mannheim  
Germany**

Rental of construction machinery and repair service, management of Implenia's machinery, rental & assembly / disassembly of construction site equipment, electronic services, manufacture, sale and distribution of special design / steel work / tools

**492909  
Implenia Civil Engineering GmbH  
Niederlassung München  
Landsberger Straße 290a  
80687 München  
Germany**

Planning and execution of civil works and construction of any kind, particularly heavy construction / reinforced concrete construction, industrial construction, traffic infrastructure (railway, shipping, road), civil engineering structures, power station structures, noise protection structures and all typ of Special Foundations measures, complete construction pits and soil freezing

**495202  
BCL GmbH  
Leonard Bernstein Straße 10  
Saturn Tower 6. OGA  
1220 Wien  
Austria**

Planning, development and implementation of construction logistics concepts, in particular supply and disposal logistics, access control and guarding, construction site equipment and related services

**Annex to certificate  
Registration No. 542480 OHS18**

**IMPLENIA Deutschland GmbH**

Am Prime-Parc 1  
65479 Raunheim  
Germany

**Location**

**Scope**

**523458**  
**Implenia Fassadentechnik GmbH**  
**Süderstraße 32**  
**20097 Hamburg**  
**Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**535651**  
**Implenia Civil Engineering GmbH**  
**Niederlassung Frankfurt**  
**Am Prime Parc 1**  
**65479 Raunheim**  
**Germany**

Planning and execution of civil works and construction of any kind, particularly heavy construction / reinforced concrete construction, industrial construction, traffic infrastructure (railway, shipping, road), civil engineering structures, power station structures, noise protection structures and all typ of Special Foundations measures, complete construction pits and soil freezing

**541349**  
**Implenia Hochbau GmbH**  
**Zweigniederlassung Mannheim**  
**Gottlieb-Daimler-Straße 10**  
**68165 Mannheim**  
**Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**483850**  
**Building Construction Logistics GmbH**  
**Am Prime Parc 1**  
**65479 Raunheim**  
**Germany**

Planning, development and implementation of construction logistics concepts, in particular supply and disposal logistics, access control and guarding, construction site equipment and related services

**Annex to certificate  
Registration No. 542480 OHS18**

**IMPLENIA Deutschland GmbH**

Am Prime-Parc 1  
65479 Raunheim  
Germany

**Location**

**Scope**

**205160  
Implenia Civil Engineering GmbH  
Niederlassung Berlin  
Holzhauser Straße 175  
13509 Berlin  
Germany**

Planning and execution of civil works and construction of any kind, particularly heavy construction / reinforced concrete construction, industrial construction, traffic infrastructure (railway, shipping, road), civil engineering structures, power station structures, noise protection structures and all typ of Special Foundations measures, complete construction pits and soil freezing

**052317  
BBV Systems GmbH  
Industriestraße 98  
67240 Bobenheim-Roxheim  
Germany**

Development and Execution of Pre-stressing Systems, Geotechnical Systems and Corrosion protection methods of Civil Engineering, Special Foundation and Building Construction

**272471  
Implenia Tesch GmbH  
Schnabelstraße 1  
45134 Essen  
Germany**

Design and execution of civil works and constructions of any kind, particularly in the industry and piping construction and in the general high and foundation engineering

**205124  
Implenia Civil Engineering GmbH  
Zentrale  
Am Prime Parc 1  
65479 Raunheim  
Germany**

Design and execution of civil works and construction of any kind, particularly building construction, tunnel construction and civil engineering, support functions (Central Services), contractual management

**Annex to certificate  
Registration No. 542480 OHS18**

**IMPLENIA Deutschland GmbH**

Am Prime-Parc 1  
65479 Raunheim  
Germany

**Location**

**Scope**

**31602395**  
**Implenia Hochbau GmbH**  
**Zweigniederlassung Berlin**  
**Holzhauser Straße 175**  
**13509 Berlin**  
**Germany**

Consultation, conception, design and execution of building construction of any kind (new building, construction works on existing buildings) as well as optimization of construction and operating costs, particularly in the area of building and industrial construction

**510370**  
**Implenia Civil Engineering GmbH**  
**Niederlassung Freiburg**  
**Hans-Bunte-Straße 12**  
**79108 Freiburg**  
**Germany**

Planning, management and execution of construction work of all kinds, particularly civil engineering structures e.g. railway bridges, bridges, water management facilities, noise protection walls, retaining structures, station platforms as well as industrial construction facilities, structural works, special foundation and support works partly including operation and maintenance

**31612790**  
**BCL Schweiz AG**  
**Thurgauerstrasse 101a**  
**8152 Glattpark (Opfikon)**  
**Switzerland**

Planning, development and implementation of construction logistics concepts, in particular supply and disposal logistics, access control and Guarding, construction site equipment and related services

**31626051**  
**Implenia Civil Engineering GmbH**  
**Niederlassung Hamburg**  
**Heidenkampsweg 75**  
**20097 Hamburg**  
**Germany**

Planning and execution of civil works and construction of any kind, particularly heavy construction / reinforced concrete construction, industrial construction, traffic infrastructure (railway, shipping, road), civil engineering structures, power station structures, noise protection structures and all typ of Special Foundations measures, complete construction pits and soil freezing

**Annex to certificate  
Registration No. 542480 OHS18**

**IMPLENIA Deutschland GmbH**

Am Prime-Parc 1  
65479 Raunheim  
Germany

**Location**

**Scope**

**31626052**  
**Implenia Civil Engineering GmbH**  
**Niederlassung Erfurt**  
**Alfred-Ley-Straße 3**  
**99310 Arnstadt**  
**Germany**

Planning and execution of civil works and construction of any kind, particularly heavy construction / reinforced concrete construction, industrial construction, traffic infrastructure (railway, shipping, road), civil engineering structures, water management facilities, power station structures, noise protection structures and all typ of Special Foundations measures, complete construction pits and soil freezing

**31626053**  
**Implenia Civil Engineering GmbH**  
**Niederlassung Nürnberg**  
**Sprottauer Straße 51**  
**90475 Nürnberg**  
**Germany**

Planning and execution of civil works and construction of any kind, particularly heavy construction / reinforced concrete construction, industrial construction, traffic infrastructure (railway, shipping, road), civil engineering structures, power station structures, noise protection structures and all typ of Special Foundations measures, complete construction pits and soil freezing

**31626650**  
**Implenia Civil Engineering GmbH**  
**Niederlassung Mannheim**  
**Diffenésstraße 14**  
**68169 Mannheim**  
**Germany**

Planning and execution of civil works and construction of any kind, particularly heavy construction / reinforced concrete construction, industrial construction, traffic infrastructure (railway, shipping, road), civil engineering structures, power station structures, noise protection structures and all typ of Special Foundations measures, complete construction pits and soil freezing

**205214**  
**Implenia Civil Engineering GmbH**  
**Niederlassung Essen**  
**Schnabelstraße 1**  
**45134 Essen**  
**Germany**

Planning and execution of all types of construction measures, in particular all typ of Special Foundations measures, complete construction pits, soil freezing and noise protection walls
